**FATHERS
WALK 2016**

An Important WALK
for education and
quality of life.

WALK
2016

I am responsible for the education of my child.

I will encourage all children to do their best every day at school.

I will speak to my child about the value of learning and the importance of reaching your potential.

I will help with school work and review assignments for completion.

I will praise my child when he/she does well in school.

I will speak with my child's teachers and support them in educating my child.

I will teach my child the value of education and the value of family.

I will work with my child's mother or guardian to achieve the best academic and social outcomes for my child even if I do not live with my child.

Fathers, grandfathers, foster fathers, step-fathers, uncles, cousins, big brothers, significant male caregivers and friends of the family are all encouraged to participate in *The Fathers Walk*.
