Ohio County Fatherhood Mobilization Initiative Contractor RFP Reposted

The Ohio Commission on Fatherhood has reposted a new Request for Proposal (RFP). To promote fatherhood and help counties to manage fatherhood programming, the commission seeks to award funding to one (1) contractor through RFP# JFSR2223178239R. The contractor will provide training, technical assistance, coaching, and related services to fulfill the following objectives:

1. To mobilize county officials in developing a plan to motivate fathers toward responsible and committed involvement with their children;
2. To stimulate/motivate community partnerships; and
3. To provide counties with the resources and tools to successfully manage a fatherhood program.

The contractor will be compensated up to \$4,000 for each county selected for the initiative. Compensation will begin with the approval of the purchase order through June 30, 2023. Optional renewals may be available, at the discretion of the commission. Applications are due by 3 p.m. on **December 10, 2021**. Click the link below to review all requirements and to apply.
